NEWBRIDGE-ON-WYE CHURCH-in-WALES SCHOOL EQUAL OPPORTUNITIES POLICY

3. Equal Opportunities in Recruitment

- 3.1 The school will ensure that no job applicant or employee is discriminated against on the grounds of the protected characteristics and will proactively monitor and review this over time and make changes where required to address any imbalance.
- 3.2 Recruitment and selection procedures and practices are regularly reviewed to ensure that no individual is put at a disadvantage either directly or indirectly, paying particular attention to the protected characteristics.
- 3.3 In accordance with the spirit of this policy statement, employees are given an equal opportunity to progress within the organisation, and this will be monitored and reviewed on an ongoing basis by the school, with changes made where necessary to address any imbalance.

4. Equal Opportunities in the Curriculum

- 4.1 The school actively encourages an ethos in which all pupils feel secure and valued. Every pupil has an equal entitlement to the National Curriculum and, subject to entry requirements, to all other areas of the curriculum, regardless of language, gender, race, disability, sexual orientation, religion or belief, age, pregnancy or maternity, or gender dysphoria.
- 4.2 Pupils should have equal access to the curriculum regardless of academic ability. This policy should be read in conjunction with the Additional Learning Needs Policy.
- 4.3 Staff will actively encourage the breaking down of any traditional gender stereotyping regarding subject choices.
- 4.4 The school will monitor any careers advice or work experience placements provided by outside agencies to aim to ensure equal opportunities
- 4.5 All forms of individual and subject support, guidance, amenities and facilities, including extra-curricular activities, will be equally available to all pupils, with particular attention given to equality of opportunity across the protected characteristics. The school will establish monitoring arrangements in relation to the protected characteristics and how they apply to these activities, to determine whether improvements may be necessary.
- 4.6 Behavioural expectations and disciplinary sanctions will be free of any bias in relation to the protected characteristics. Monitoring arrangements will be established to determine this position.
- 4.7 Teachers will assess all materials and resources used for teaching and take appropriate action whenever possible to ensure that they reflect concepts, themes and information which seeks to address stereotypes in relation to the protected characteristics, and remove discrimination. Teachers will try to ensure that all pupils feel that their language and culture is both acknowledged and valued.

5. Race

5.1 The term 'Race' refers to a person's ethnicity, race, nationality or national origin.

5.2 The school will:

- strive to eliminate all forms of racism and racial discrimination;
- promote equality of opportunity;
- promote good relations between people of different racial groups.

5.3 The school will not tolerate any form of racism or racist behaviour. Should a racist incident occur, it will be dealt with in accordance with school procedures and reported to the Authority's Schools Service (see **Appendix 1**).

5.4 The school endeavours to be welcoming to all minority groups. The celebration and understanding of cultural diversity is promoted through the topics studied by the pupils and is reflected in displays, resources and events.

5.5 Cultural diversity and respect for others are celebrated and reflected across the whole curriculum. The curriculum will enhance pupils' understanding of Welsh, British and world society and history, including the contributions of minority ethnic groups.

5.6 The school will give pupils the understanding they need to recognise prejudice and reject racial discrimination.

6. Gender / Sex [see also 4.3]

6.1 We will constantly examine its curriculum, procedures and materials for gender bias or inequality.

6.2 The school will encourage pupils to be aware of the rigid sexual stereotypes presented by, for example, the media, and will try to ensure that resources include non-sexist books which value the achievements of both women and men.

6.3 The school is committed to providing a curriculum which avoids unnecessary historical gender divisions. The school will endeavour to provide all pupils with experience in subjects traditionally considered to be suitable for a single sex e.g. rugby, football, netball, cooking, woodwork, etc.

6.4 The school tries to ensure:

- that teachers allocate their time fairly between the sexes;
- that teachers consider the difference in preferred 'learning styles' often displayed between boys and girls, and design lessons that provide opportunity to appeal to both genders;
- that all pupils have opportunities for working with pupils of both sexes;
- that the traditional sexual stereotypes are broken down (for example by not asking boys to move furniture whilst girls tidy up);

NEWBRIDGE-ON-WYE CHURCH-in-WALES SCHOOL EQUAL OPPORTUNITIES POLICY

- that pupils have opportunities for examining their own pre-conceived ideas of gender roles;
- that pupils are encouraged to pursue less conventional subjects and interests, for example girls to read more non-fiction and boys more fiction; girls to develop mechanical interests and boys creative skills.

7. Disability

7.1 The term “disability” applies to a person when:

- they have a physical or mental impairment, and
- the impairment has a substantial and long-term adverse effect on their ability to perform normal day-to-day activities

For the purposes of the Equality Act, these words have the following meaning:

- 'substantial' means more than minor or trivial
- 'long-term' means that the effect of the impairment has lasted or is likely to last for at least twelve months (there are special rules covering recurring or fluctuating conditions)
- 'normal day-to-day activities' include everyday things like eating, washing, walking and going shopping

7.2 We are committed to meeting the needs of pupils with disabilities, as it is to meeting the needs of all within the school. The school endeavours to meet the requirements of the Equality Act 2010, which specifies due regard should be given to consider the barriers that may exist to a pupil's access to education and how to remove them. All reasonable steps will therefore be taken to ensure that disabled pupils are not placed at any disadvantage compared to non-disabled children. The Equality Act also determines that where significant disadvantage exists, disabled people will be treated more favourably to address the imbalance. This will be taken into account when considering any necessary improvements.

7.2 The school is committed to providing an environment that allows disabled pupils full access to all areas of learning or associated services provided for, or offered to, pupils at the school, including educational visits and other off-site activities e.g. swimming.

7.3 Teachers will modify teaching and learning as appropriate for pupils with disabilities. For example, they may give additional time to complete certain activities or modify teaching materials or offer alternative activities where pupils are unable to manipulate tools or equipment.

8. Religion and Belief

8.1 The school respects the religious beliefs and practices of all staff, pupils, parents and visitors and will comply with all reasonable requests relating to the accommodation of a recognised religion or belief's observance and practice. This includes respect for lack of religion or belief, as in humanism and atheism.

EQUAL OPPORTUNITIES POLICY

9. Sexual Orientation

- 9.1 The school will make no assumption about the sexual orientation of any of the members of its community, including its pupils, teaching staff or those who use the schools facilities.
- 9.2 In the curriculum, sexuality is taught within the context of loving relationships. Whilst heterosexual relationships are the most common in our society, we acknowledge that some pupils may develop a homosexual or bisexual orientation and that during development many will be still questioning their sexual orientation. Pupils' questions will be answered as they arise, honestly, factually and non-judgementally.
- 9.3 Derogatory name-calling (of any sort) is unacceptable under any circumstances. Matters arising in relation to name calling which relates to a pupil's sexuality or perceived sexuality will be taken seriously and action taken where necessary to remove this behaviour from the school environment.

10. Pregnancy and Maternity

- 10.1 The school would be supportive if a pupil became pregnant and will make reasonable and appropriate arrangements to assist them to continue with their education.
- 10.2 As well as normal practice arrangements in terms of maternity leave and employment protection, staff who become pregnant will be supported through pregnancy and maternity leave, with reasonable adjustments made where appropriate and necessary.
- 10.3 Staff who have a pregnancy that ends or a baby born prematurely or with health issues will be supported through that process. Compassionate leave would be available.

11. Marriage and Civil Partnership

- 11.1 The school will ensure that equality of opportunity is provided for people applying for positions at the school, regardless of their marital or civil partnership status.
- 11.2 Respect and dignity towards children whose parents who are in a civil partnership will be upheld by pupils, teachers and other school staff.
- 11.3 Parents of pupils who are in a civil partnership will be treated with dignity and respect.

12. Gender Reassignment

- 12.1 The school will be supportive of any young person undergoing gender reassignment and will support them to continue effectively with their education during that process.
- 12.2 The school will ensure that learners undergoing gender reassignment are protected from bullying or harassment relating to this and will work with the young person and their parents/guardians to manage this, including how, what and when to inform other learners and the approach taken.

NEWBRIDGE-ON-WYE CHURCH-in-WALES SCHOOL EQUAL OPPORTUNITIES POLICY

13. Age

- 13.1 The school will put procedures in place to ensure that no-one is denied a job, an equal chance of training or promotion or suffers from harassment or victimisation because of their age
- 13.2 The school (as permitted by the Equality Act) provides a different curriculum for pupils of different ages, but will strive to ensure that delivery of the curriculum is non-discriminatory

14 Bullying

- 14.1. As indicated in the school's Anti-Bullying Policy, the school is committed to identifying and tackling all forms of bullying, recognising that such behaviour can have a significant negative impact upon a pupil's well-being and academic achievement
- 14..2 "Identity based bullying" occurs when a pupil's identity or perceived identity is being used as the basis for the bullying. The school will take 'identity based' bullying relating to the Equality protected characteristics particularly seriously,
- 14.3 'Cyberbullying' occurs through the use of information and communication technology, in particular, through the use of social media, such as Facebook, Twitter, or other social networking websites or text messaging. It can be particularly damaging for the victim. The School's Anti-Cyberbullying policy makes clear that the school regards this form of bullying particularly seriously and sets out practical measures to reduce the harm caused. Where content is considered to be illegal, the Police will be informed.
- 14.4 Staff, pupils and parents will be encouraged and supported to report all incidents of bullying and cyberbullying.

15 The role of governors

- 15.1 The governing body has responsibility for the duties which arise in relation to the requirements of the Equality Act 2010 and the associated regulations for Wales encompassed within the Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011.
- 15.2 In this policy statement the governing body has set out its commitment to equal opportunities and it will continue to do all it can to ensure that all members of the school community are treated both fairly and equally.
- 15.3 The governing body will strive to ensure that no-one is unlawfully discriminated against whilst in the school on account of the protected characteristics.

16 The role of the Head Teacher

- 16.1 The Head Teacher, setting aside any personal prejudices and with the support of the Governing Body) will ensure that

- (g) the concept of respect for other people is promoted and recurs as a regular theme in all aspects of school life
- (h) all incidents of unfair treatment are treated seriously and with due concern.

17. The role of teachers

- 17.1 Class teachers will set aside any personal prejudices and ensure that all pupils, colleagues and those using the school's facilities are treated fairly and with dignity and respect.
- 17.2 The school requires staff to address both direct and indirect discrimination against any child/young person, parent or visitor and actively to seek to identify and remove it. Ignorance of what constitutes discrimination is not an excuse and would not be considered a defence in the event of disciplinary proceedings.
- 17.3 When selecting classroom materials, teachers will strive to provide resources which give positive images and which challenge stereotypical images in relation to the protected characteristics.
- 17.4 When designing schemes of work, teachers will have regard to this Equal Opportunities policy, both in the choice of topics to study and in how to approach sensitive issues. For example, staff might include examples of the significant contribution made by women in history or counter traditional images of parts of Africa or Asia with material showing the true diversity of development in different parts of the world.
- 17.5 All teachers and support staff will challenge any incidents of discrimination and draw them to the attention of the Head Teacher.

18. The role of pupils

19, The role of parents

Parents will be made aware of this policy through the school prospectus and home-school agreement and will be encouraged and supported to draw any incidents of discrimination to the attention of the class teacher or headteacher.

20 Dealing with allegations made

- 20.1 The school will take all allegations of discrimination very seriously, and will investigate them properly and fairly. The outcome of any investigation will be determined under the school's disciplinary procedures. The school will also foster a 'safe environment' where pupils or parents can feel confident to raise these issues, and be fully supported and protected throughout the procedures which may follow.
- 20.2 The school will also take 'false allegations' of discrimination seriously, and this will be dealt with in the appropriate manner by the school under its disciplinary procedures. It is hoped that this will be rare and will normally only be determined following a fair and thorough investigation.

21 The role of visitors / contractors

All visitors and contractors are required to adhere to the school policy.

22 Monitoring / Review
