Special events

Cricket tournament: Newbridge on Wye School participates in the cricket tournament every year. We normally have two teams based on the pupils throwing ability. (Example if the pupil has a good throwing arm then they will be put in team A, but if their throwing is not as good they will be put in team B.) Also we choose captains for each team.

Christmas play: Alternate years in the winter term the school gets together to perform a Christmas play or a Carol Service.. It takes a lot of preparation and practice to perfect. The school performs the play three times.

Sports day: Sports day is an event that helps the children to get exercise and develop a competitive spirit. Sports day has a series of challenges and obstacles. So if try hard enough you might win and get a cool medal.

Christmas dinner: Every year the school gathers in the dinner hall to have a Christmas dinner. The whole school sits down together to eat. The dinner includes 2 mini sausages, 2 scoops of mash potato, turkey, mixed vegetables, and gravy. The dessert is either ice cream or Christmas pudding.

School trip: Every year each class will go on a trip somewhere based on the topic that the class is doing. The trips are really fun and exciting and they help you learn about your topic.

Eisteddfod: In the spring term on a Friday close to St David's Day the Friends of the school organise an Eisteddfod where the pupils of the school compete. It is an important day in the school year.
